### **Priorities**

- Career Academy
  - In conjunction with local businesses
  - Counseling opening this year.....thinking about maybe hiring two counselors for next year
  - Focus on CA off the ground if they can get two positions filled
- PBIS reboot or get rid of it
- Refocus on HRS (Look at level 3)-SCALES
- PBIS reboot/buy in
- New teacher program within their building did not happen this year
  - Hoping to reform this committee and get it rolling again next year!
- Normal year-a lot of schools will have to refocus and get the wheels turning
- Data meetings this year have been happening which is great moving forward (MTSS)
- Missing academy part with local businesses (need board support-Justin has developed CA at Boone, but someone else will need to make the connections and spend the time)
