

Service Plan for Osmond Community Schools: 2019 - 2020

Staff Development Services (84-002.05A)

Have created a new position - Interventionist - who will be their MTSS lead. They are in Year 2 of UNL cohort and have leadership team in place.

They would like Heidi's help with Science standards/curriculum work. Training in October, followed by a day for curriculum alignment.

They are in Year 2 of CIP cycle (Frameworks).

Would like help organizing and adopting an instructional model (not Marzano) that is their own (Explicit Instruction + APL = OCS) and a subsequent evaluation tool.

In the process of swapping out SMART Boards with new SMART Displays and teachers could possibly use help in knowing how to use all their features.

Would like Molly to lead inservice on Digital Resources (Sept 18 Early Dismissal) and Katie to lead inservice on Tech Integration tools (Dec 4 Early Dismissal) followed by a Tech Integration support day (Jan 23) for follow-up.

Biggest Needs =

1. Content Area Support/Curriculum (Science)
2. Instructional Model development and Evaluation Tool (not Marzano)

Planned Service Implementations

Assessment

Instructional Coaching

Professional Growth Seminars

Content Area Support

Instructional Models

Special Education Professional

Continuous Improvement
