

Service Plan for Central Valley Public Schools: 2021 - 2022

Staff Development Services (84-002.05A)

Interested in accessing ESU 10 T&L services in every area. Specific training onsite at Central Valley will be requested as needed. Note: **Para training and/or support** - para training again and please continue recording for 24-7 access.

Would like the following specific support on site at Central Valley:

Instruction- strategy training when needed; engagement strategies; learning objectives and student reflection on the objective.

Instructional Support - ALP Learning Walks. Yes, and incorporate other instructional priorities. Possibly incorporate fidelity checks for ReadyGen.

Reading & Writing training and/or support- ALP Whole staff training on monthly early-out in-service days.

Technology Integration support- Request Peg again to help with teacher technology goal setting.

MTSS- Patrice said she has met with CV and they are wanting MTSS support again for 2021-22.

Implementation Support: Continue learning walks.

Is there something we can do to help support leadership in evaluating whether the professional learning is helping their teachers improve instructional practices? Not at this time.

Plan for next year? Early out schedule? Other professional learning days?

Todd shared the school calendar. Both Principals would like to have ALP training on site at CV for all staff during early-out inservice days.

Other:

Want to look into accessing the STEM trailers.

Aware of the new draft health standards.
