

# Service Plan for Riverside Public Schools: 2021 - 2022

## Staff Development Services (84-002.05A)

Interested in accessing ESU 10 T&L services in every area. Specific training onsite at Riverside will be requested as needed.

School site training & support at Riverside by request:

Writing goal - Will need to focus on Writing goal and would like consultation on next steps for professional learning to support the goal. Kelly asked Sarah and Dallas to coordinate a meeting with Stephanie and Sarah.

Implementation Support: Continue learning walks.

Is there something we can do to help support leadership in evaluating whether the professional learning is helping their teachers improve instructional practices? Not at this time.

Plan for next year? Early out schedule? Other professional learning days?

Stephanie shared the school calendar.

STEM Trailers - Yes

Might be interested in OverDrive - provided Jason's contact information

Aware of new standards. Will there be a workshop for new ELA standards?

MTSS: will participate in August data review and priority planning; other as requested
