

Service Plan for Burwell Public Schools: 2021 - 2022

Staff Development Services (84-002.05A)

Burwell is Nebraska Frameworks and will have their next external review during the 24-25 school year.

Administration is interested in Marzano refresher sessions on specific elements of need. They are also interested in technology support with the ESU 10 Evaluation Tool.

Burwell has joined the ESU 10 Math Instructional Materials Cohort. They have purchased one more year of Saxon materials.

In 2022-2023, Burwell will be switching to an 8 class period day. They will have more elective opportunities so may need distance learning support to assist with these courses.

Burwell may have up to 3 new paraprofessionals and they are interested in training for these staff.

At a winter 2021 inservice, all Burwell staff learned about technology standards.

Coaching for MTSS implementation

Planned Service Implementations
