

# Service Plan for Broken Bow Public Schools: 2019 - 2020

## Staff Development Services (84-002.05A)

Broken Bow is starting the PLC process after attending a Solution Tree conference. On May 21-22, admin will lead all teachers in determining Essential Learnings via the prioritization process. Teachers will then unpack Essential Learnings and work on other components included in their standards matrix in their Google Team Drive.

Broken Bow continues to have a strong culture around ALP Learning Walks. Teachers who have also received blended learning training use a hybrid [walkthrough tool](#) that includes strategies from both programs. Learning walks for the fall and spring in both the MS/HS and Northpark are TBD.

### Planned Service Implementations

Assessment	Instruction	Para Training
Blended Learning	Instructional Supports	Science
