

# Service Plan for Elba Public Schools: 2021 - 2022

## Staff Development Services (84-002.05A)

Have you selected a new Continuous Improvement Process goal? Goal has not been selected yet.

Do you need assistance with goal setting, action planning, etc.? Allison said they will select the goal, write the goal and create an action plan. Would like a CIP overview for all staff at the beginning of the year. Allison will reach out for support as needed.

Interested in accessing ESU 10 T&L services in nearly every area. Specific training onsite at Elba will be requested as needed.

Requested Training and Support at Elba:

Personality exploration to build school culture: Arranged with Dallas

Marzano Instructional Framework training: Arranged with Jeff

De-escalation training for SPED paras: Informed Jean Anderson

Is there something we can do to help support leadership in evaluating whether the professional learning is helping their teachers improve instructional practices? Not at this time.

Plan for next year? Early out schedule? Other professional learning days?

Allison shared the school calendar and identified dates available. This calendar was used by Jeff to coordinate Marzano training, Dallas to coordinate personality exploration training, and Kelly to coordinate CIP training to begin right away in August.
